HOW DIPHTHERIA IS CONTRACTED. One often hears the expression, "My child caught a severe cold which developed into diphtheria," when the truth was that the cold had been left to the little one particularly susceptible to the wandering diphtheria germ. When Chamberlain's Cough Remedy is given it quickly cures the cold and lessens the danger of diphtheria or any other germ disease being contracted. For sale by all druggists.

STILL AGAIN THE KOOYMANS. Cornelius Kooymans, the most notorious member of the notorious Kooymans family, a family that has received a great deal of police court notoriety of late, is again under arrest this time on the charge of threatening to kill his divorced wife Mrs. Nellie Kooymans. The latter yesterday afternoon swore to a complaint before Justice Bishop and Kooymans was placed under arrest. Recently Kooymans was in jail for beating his sister. Then one of the Kooymans girls wanted her father arrested for failure to provide for the children. Following this trouble Kooymans Sr. was arrested for assault upon the sister of his daughter-in-law who he wanted to elope with. Because the young woman resented his attentions and refused to run away with him he struck her. There is hardly a week passes that the Kooymans do not figure in some sort of criminal proceeding.

GRANT'S NEW TRIAL TO ARTHUR BROWN

Supreme Court Reverses Judge Armstrong on Technical Ground.

SENTENCED FOR FORGERY.

Trusted Clerk Drew Check for \$6,125 And Signed Employer's Name To It—Insanity Not Proven.

On a technically, in no way concerned in the question as to whether Arthur Brown forged a check or did not, or that he is or was insane or is not and was not in the ground upon which the supreme court reversed the trial court before which Arthur Brown was convicted of forgery and sentenced to serve three years in the State prison. According to the opinion, Brown is entitled to a new trial.

Brown was a trusted employee of the Utah Apex Mining company, a Maine corporation. He was charged with forging and uttering a check against the company's funds on deposit in the Commercial National bank. The check was drawn for \$6,125. W. C. Orem's name was signed to the check and Brown endorsed it. In the taking of testimony, it was proved that the corporation was formed under the laws of Maine. Judge Armstrong overruled an objection by the defense to the introduction of testimony by the prosecution in proof of the allegation that the Utah Apex Mining company was a corporation doing business in this state. This fact was assigned as an error in the appeal to the higher court and the assignment of error is conceded by the court in its final decision.

ARRESTED BOARDING TRAIN. Brown was arrested by Captain Burleigh for the offense just as he was about to board an O. & N. train for the northwest. The arrest took place May 21, 1906, and Brown was convicted on Oct. 16 of the same year and sentenced to serve three years at labor in the state prison 10 days later. One ground of the defense was that Brown was insane, which a lunacy examination found to be not true.

WHEN TO GO HOME. From the Bluffton, Ind., Banner: "When tired out, go home. When you want consolation, go home. When you want fun, go home. When you want to show others that you have reform, go home and let your family get acquainted with the fact. When you want to show yourself at your best, go home and do the act there. When you feel like being extra liberal go home and practice on your wife and children first. When you want to shine with extra brilliancy, go home and light up the whole household." To which we would add, when you have a bad cold go home and take Chamberlain's Cough Remedy, a quick cure is certain. For sale by all druggists.

DEATH OF MRS. HICKS. Mrs. Anna B. Hicks, widow of John T. R. Hicks, died Monday night at the residence of her son, John U. Hicks, 134 A street. Mrs. Hicks had suffered for a period of a month from pleurisy, and that disease was the cause of her death. She had resided in Utah since 1866, coming here from Bern, Switzerland, where she was born in 1846. She became the wife of Mr. Hicks two years after her arrival in Salt Lake.

The family resided in this city many years, the husband being engaged in the shoe business. In 1884 they removed to south Cottonwood. The husband died 17 years ago, and in 1903 Mrs. Hicks again made her home in this city. For the last few months she had been at Provo, Utah, but was brought here after her illness began. The deceased is survived by seven children: namely, John U. Hicks of this city, Mrs. Fred Pierson of Raymond, Canada, Mrs. Helen Schellen of Grand, Ida, Heber C. and Neoph C. Hicks, of Provo, and Olive and Bertha Hicks of this city.

George Christensen, probation officer of the juvenile court for Sanpete county, under Judge Ferdinand Erickson, has submitted his annual report to Gov. John C. Cutler. Only one has been sent to the industrial school.

Don't use harsh physics. The reaction against the bowels, leads to chronic constipation. Get Doan's Regulax. They operate easily, tone the stomach, cure constipation.

Christensen cites tobacco. He declares that in nearly every case coming before the juvenile court for Sanpete county he has found that tobacco formed a strong building stone for their bad actions. He cites that the use of tobacco by parents has a strong influence for bad among children. Strong drink, bad company and late hours are assigned as strong factors in working to the evil of the youth. He also declares that the lack of strict enforcement of the curfew law has been found to be responsible for much of the trouble with young delinquents.

EXPOSURE. To cold draughts of air, to keen and cutting winds, sudden changes of the temperature, scanty clothing, undue exposure of the throat and neck after public speaking and singing, bring on coughs and colds. Ballard's Horsehold Syrup is the best cure. Mrs. A. B. Harris, Houston, Tex., writes, Jan. 31, 1902: "One bottle of Ballard's Horsehold Syrup cured me of a very bad cough. It was very pleasant to take. Sold by Z. C. M. Drug Dept. B."

AFTER SMOKY CHIMNEYS. Acting Mayor Davis Will Take Steps To Abate Troublesome Nuisance.

Acting Mayor A. J. Davis has received from numerous persons complaints regarding violation of the smoke ordinance, which appear to be more numerous at the present time than at any season heretofore. The ordinance regulating the operation of smoke stacks within the city was amended about one year ago to provide the citizens better protection against those who operated smoke stacks which emit large quantities of heavy, black smoke. However, since the ordinance was placed upon the city's law books in new form, not a single prosecution is of record.

It is probable that the city engineer's office will be asked to detail its photographer to go about the city to acquire photographs of the most serious violations of the ordinance. These photographs will be used as evidence in court prosecutions which will probably be commenced in the near future. Acting Mayor Davis has determined to take the matter with the chief of police and an officer will perhaps be detailed to look after this class of cases for some time to come in the hope of doing away with the nuisance.

The Soothing spray of Ely's Liquid Cream Balm, used in an atomizer, is an unspeakable relief to sufferers from Catarrh. Some of them describe it as a Godsend, and no wonder. The thick foul discharge is dislodged and the patient breathes freely, perhaps for the first time in weeks. Liquid Cream Balm contains all the solid form, and it never fails to satisfy. Sold by all druggists for 75c, including spraying tube or mailed by Ely Brothers, 56 Warren Street, New York.

Mr. Christensen will open a new term juvenile classes in dancing next Saturday, December 21, 2, 3, 4 o'clock. Academy 137 E. 1st So.

HOLD-UPS.

This city is suffering just at present from one of those periodical series of crimes such as come to every city at certain intervals.

If you own any valuables worth keeping it is the height of folly to keep them in your office desk or at your homes, when the cost of keeping them absolutely safe from fire or thieves is only \$1.50 yearly. You cannot fail to have been impressed with the recent depredations committed here, but it would create a much stronger impression upon you if you happened to be a direct sufferer. The cost is less than a cent a day—if your valuables aren't worth that you probably won't need one of these safety deposit boxes. Salt Lake Security & Trust Company, 25-34 Main Street.
